

Bourlet Art Logistics *Art Southampton*

Bourlet ArtLogistics is proud to partner with **Art Southampton** to provide art transport and handling services to the upcoming Art Southampton, and offer exhibitors a preferred rate for art transport services.

Round trip art transport will depart from the New York City Metro area with direct service to **Art Southampton**. Following completion of the fair, **Bourlet ArtLogistics** will have return shuttle service to the respective origin.

For the all-inclusive price of \$400 (one way) or \$750 (round trip), **Bourlet ArtLogistics** will collect your pre-packed artwork from the metro area and safely transport them to your Art Southampton booth.

- Rates include all pickup/delivery handling charges as well as all taxes & fuel surcharges.
- Rates quoted above are for the transport of two commercial bins not to exceed 48" in height.
- Larger pieces will be quoted separately
- Packing/crating at origin is not included in this offer but can be accommodated. Contact us for details and pricing.
- Unpacking/Installation services are not included in this offer. These additional services are available from Bourlet ArtLogistics art handlers at \$90 /hour
- **Bourlet ArtLogistics** offers 60,000 square feet of climate controlled storage space. Private, shared or open configurations are available to best serve your storage requirements.

Allow Bourlet artLogistics to manage your logistics issues and make **Art Southampton** a success.
